RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Restriction Requirement mailed September 10, 2003
Applicants provisionally elect the claims of Group I (claims 1-15), with traverse.

The Examiner is requested to reconsider his Restriction Requirement
because both groups of claims are drawn to subject matter which are so related to each
other than an undue burden would not be placed upon the Examiner by maintaining
both groups of claims in a single application. See, e.g., MPEP § 803.

Favorable consideration of this application is respectfully requested.

Respectfully submitted,

Dated: October 9, 2003
